

- 
- The diagram illustrates the layout requirements for a printed page. It features a red outer border representing the 'Bleed' area, a dashed black line representing the 'Cutting line', and a pink inner border representing the 'Safe margin'. The text explains each of these areas and provides instructions on how to use them.
-  **Bleed** (please extend your background 2mm all around the page)
  -  **Cutting line** (your job will be cut along this line)
  -  **Safe margin** (please keep all important elements of the design within this area (eg. texts, telephone numbers etc.)
